

Padre Conceicao College of Engineering

Techyon 2023

9th -11th November

ReactJS Workshop

An Intra College Event

Our very own Google Developers Student club will bring to you a hands-on workshop on React to teach the basics to students aspiring to learn the latest tech in web development. Not just get introduced to React but also take back with them their very first mini project in React by the end of the day.

Event details:

Mode of Hackathon: Offline

Date: 9th November 2023

Time: 10AM to 12PM

Registration link:
