

POWERBI WORKSHOP

What is PowerBI Workshop?

Join our engaging workshop on Power BI data visualization in the data science field! In this session, you'll learn to harness the power of Power BI to transform raw data into insightful visualizations. We'll cover essential techniques for data preparation, creating interactive dashboards, and leveraging advanced features for data-driven decision-making. Whether you're a beginner or looking to enhance your data visualization skills, this workshop will equip you with the tools and knowledge needed to excel in the dynamic world of data science. Don't miss out on this opportunity to elevate your data visualization game and enhance your career prospects.

Event Details:

Date: 9th Nov 2023

Time: 11:15 am to 12:15 pm

Venue: IT lab 1 (3rd floor)

Eligibility Criteria:

Open for all

Insights:

- Step BY Step Framework to perform Business Intelligence using Power BI
- Building Interactive Dashboards using 5+ Power Visuals in Power BI.
- From scratch to advanced.
- Hands-on Learning.
- Data Modelling and Transformation using Power bi.
- Making End-to-end interactive Dashboards.
- Free projects for future learning.
- Workshop Certificate.
